# BE A WING RIDER

## CB UNICORN

सपना कर देंगे अपनी

Honda is  **HONDA**

When joy becomes integral, excellence becomes a habit. That's the philosophy that rides Honda into millions of hearts. The commitment of unbeatable Honda quality builds an enduring relationship right from the making of Honda to the ownership experience. Truly the creator's commitment, a seller's delight and a buyer's pride, every beat of a Honda Engine brings to life pure joy. Each time, every time.

#### **Mono-suspension**

The state-of-the-art mono-suspension fitted on tough yet flexible diamond frame, provides stability and comfort for riding on any road.

#### **Black Alloy Wheels & Front Disc Brake**

Premium alloy wheels with front disc brakes provides control over any road & enhances riding comfort.

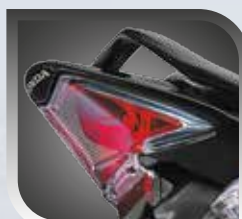

#### **3D Wing Mark Emblem with premium styling**

The 3D Honda Wing Mark placed on the fuel tank gives it a royal and sophisticated look.

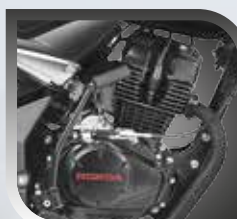

#### **Handle Bar Weights**

The Handle Bar Weights gives you more stability. It lets you stay in control and gives you a smoother ride.

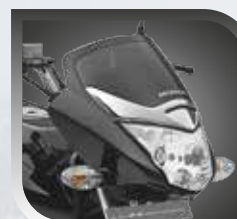

#### **Body Color Grab**

The CB Unicorn comes with a Grab that matches the body's color, so that people look up to you for your style.

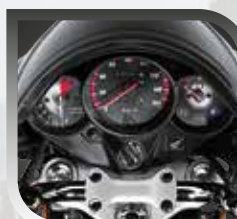

#### **Superior Performance with Black Robust Engine**

The powerful 12.73 bhp engine with cutting edge technology ensures smooth power in all speed ranges.

#### **Premium Front Cowl**

Chrome finish and long visor on the front cowl makes it more premium, while the perfect air routing enhances the aerodynamic

#### **Stylish Meter Console**

The smart meter console not only reminds you of speed and other riding data, but also adds to your adrenaline rush.

#### **Gear Shift Lever**

Maneuver easily with the simplified gear shift lever, designed specially to place control on your toes.

#### **Viscous Air Filter**

CB Unicorn is equipped with a viscous air filter to cut down on maintenance.

#### **Automatic Headlamp On (AHO)**

Lights on, style on. Dawn, dusk or fog, the impressive headlight with AHO improves visibility at all times.

#### **HET Engine with BS-IV**

150cc HET engine which delivers great mileage, is now meeting the latest emission norms.

Honda takes forward its philosophy to the next level with the CB Unicorn that prides itself with the perfect blend of quality, comfort & class. It is by far the most sophisticated motorcycle in its category - in looks and in robustness. It is yet another creation of the renowned Honda technology.
